   Trailhead 3 is located at the "Y" off Lower Pool Ridge Trail. This trail is closed due to damage from the wildfires and the possibility of hazardous tree conditions.

For more information and updates on trail closures and openings, visit www.stewardsscr.org

Armstrong Redwoods State Natural Reserve (SNR) and Austin Creek State Recreation Area (SRA) experienced significant fire damage from the Walbridge Fire in August 2020. Austin Creek SRA suffered major damage while Armstrong Redwoods SNR was moderately impacted. Austin Creek SRA remains closed to the public, and the trails that lead from Armstrong Redwoods SNR to Austin Creek SRA are closed.

Closed trails are identified on this map. Please do not use these trails to access Austin Creek SRA.
